Our pool brings unique style and beauty to your yard with design-inspired walls. Urbain and Slate colored co-ordinated posts and top ledges add a graceful touch. This new Cornelius pool look complements any backyard, looks beautiful year after year and adds value to your lifestyle.

Our injected resin 8" ledges and 7" painted galvanized steel uprights with krystal kote sealant provides years of lasting beauty and quality. Unique interlocking resin caps, resin foot collars/connectors combo, injected resin top and bottom tracks with injected resin top connectors complete the look and adds strength for a pool that will last for summers to come.

The oval pool brings the ultimate in style to your yard with a fun, flexible shape. Added engineering means long life, easy care and more useable yard space. Available with traditional angle bracing (A-frame) or a space-saving Narrow Buttress System (NBS). Your pool installs easily.
